the men to be under his supervision,

Stetson University Brief News Notes

THE Stetson team met last week
and formally disbanded with
the election of captain for
next season. Harry Duncan,
who has played a star game at tackle
all season, was given the honor by
unanimous vote. Great enthusiasm
was shown and the prospects are that
the whole team will be here next fall.

A meeting of the Oratorical Asso-
ciation was held Friday night, at which
it was decided to give only one prize
in the oratorical contest and to send
a delegate to the state oratorical con-
test in Jacksonville.

Fire broke out in Seminary Hall at
East Florida Seminary a few days ago,
but fortunately was extinguished be-
fore much damage was done.

Exams are approaching, and many,
with specials staring them in the face,
will remember "that it is better to
have gone and flunked than not to
have gone at all."

Now the football season is over,
Bryan, the F. F. S. quarter-back, has
been called home by his people. Very
funny.

When Kennedy got hurt the F. F. S.
team disbanded. It's too funny about
these one-man teams.

The first game of baseball this sea-
son was played on Friday by teams
picked from Stetson and the town.
Only five innings were played and the
score resulted in a tie, 2 to 2. Taylor,
McCarty and Kurtz were the battery
for the town; Sears, Wilder and
Pounds for the University.

An exciting game of football was
played on Saturday by teams repre-
senting the second and third floors of
Stetson Hall, for a banner, which at
present is held by the third floor. The
game was a tie, neither side being
able to score.

Dr. Farris led Vesper Services on
Sunday.

Messrs Winsor and Langford spent
Saturday at DeLeon Springs hunting
ducks.

The caps and gowns for the senior
college class have been ordered and
will be seen around the campus next
term.

From the letters of inquiry being
received, a large crowd of Chicago
students will be in attendance next
term.

On account of the examinations no
issue of the Collegiate will appear
tomorrow.

The senior law class will wear caps
and gowns during the spring term.

An exciting game of basketball is
to be played this afternoon between

or such officer as he may direct, and
that the student volunteers use only
the hydrants on the campus of Stet-
son University, and shall not be per-
mitted to respond to any alarm where
the use of other hydrants will be nec-
essary; the hose and the cart to be
subject to the use of the Fire Depart-
ment at any time.

The proposition of the Electric
Light Company to place an electric
light on New York avenue, opposite
the College Arms Hotel, and another
at the intersection of Indiana avenue
and Pine street, for the months of
January, February, March and April,
at the rate of \$5 per month each, was
accepted.

Notice was given of an ordinance
providing for the laying of a pave-
ment on California avenue, between
New York and Howry avenues.

The council agreed to take 200 cop-
ies of the DeLand booklet from C. O.
Coddington, the books to be sent to W.
G. Craig, of the Atlantic Coast Line,
who has agreed to distribute them
free of charge for the city.

The clerk was instructed to procure
a dark lantern for the use of the night
watchman.

The chairman of the Fire and Wa-
ter Committee was authorized to make
arrangements to heat the room of the
fireman of the water plant.

Request of F. E. Bond for shell
repair paving in front of the wa-
ter fountain on West New York ave-
nue was granted.

Mr. Bond also offered to put a de-
oil on the street in front of his prop-
erty, as an experiment, if the city
would pave the street there from curb
to curb.

THERE IS NO SUBSTITUTE

a team from Chaudoin Hall and one
composed of young ladies living in
the city. It was reported that three
gentlemen would be wanted to act as
officials, and the managers of the
teams have been overwhelmed with
applications for these positions.

Indoor baseball out of doors is the
favorite just now.

A new kind of deed has been origi-
nated by the junior law class, namely,
"stand to be sized."

Next Tuesday is the shortest day in
the year, but it will not seem so to
those taking the examinations.

The S. committee composed of
Messrs. Colton, Beardsley, Staley,
Pounds and Oates met on Wednesday
evening to award the football S. A.
resolution was passed to the effect
that for a substitute to be eligible to
the award of an S. he must have
played through at least one half of an
inter-collegiate game. The follow-
ing men in school are entitled to wear
the football S.: Pounds, Clow, Cox,
Campbell, Staley, Lenfesty, King,
Duncan, F. Botts, L. Botts, Broadwell,
Wright, From last year's team,
Oates and Compropt. The following
men were given the S. reward: Merry-
day, Wilder, Tingley, F. Pounds Den-
nis, Hooker, Kelley, Sams, Camp,
Gaulden, Chaffer, Sheldon, Warren.

The Stetson Third team and the
public school played an exciting game
of football Wednesday afternoon, the
score being 34 to 0 in favor of the
Third team. Considering the size and
lack of training of the players the
game was a good one. This is just
the kind of training that will make
football stars in a few years.

The registration is now 268—only
60 short of the same time last year.
